NOTE* If there are a minimum of 6 players during the summer, games may be played.

Detailed description of games listed above can be found on our website AZNWGA.com under the Game Days tab, Golf Games

Game of the Day Host/Scorer(s) will obtain participating player handicap from our website (or locker room bulletin board) and use to calculate for games. On game day, scorer(s) will collect cards after playing and calculate winners. Ties are broken according to USGA rules, a match of cards on hardest hole (#11). Barb McCormick will report the winners to General Manager/Golf Pro so the monetary winnings can be added on the winners' gift card. Barb McCormick will inform the winners in a separate email. Barb McCormick will announce the winners in the following week's tee time email.
